Agro Tourism

Visit with your loved ones to experience a unique and splendid day with nature. The global trend of agricultural tourism gives city inhabitants a chance to get away from the concrete jungle and rediscover their rural roots.

People of the urban areas know very little about the village life style or agricultural . Agro tourism brings people to the farms. People have become interested in knowing how their food is produced, and how the villagers live their life.

It is specially meant for the urban population who have very little exposure to rural life and agriculture. Enjoy activities around the farm or simply relax with a glass Lassi.

Activities

1. Farming
2. Irrigation
3. Dairy
4. Earthen Stove
5. Chakki (Grinding Grains)
6. Tractor Ride
7. Bullock Cart Ride
8. Swing (Jhula)
9. Poultry farming

Farming

Farming is a process of growing crops. Agriculture or farming is the practice of cultivating plants and livestock, you can come and enjoy the farming process. We will also educate you about the farming.

See the life of farmers, spend a day with them .Enjoy activities around the farm or simply relax with a glass Lassi.

Irrigation

Irrigation is the practice of applying controlled amounts of water to land to help grow crops, landscape plants, and lawns. Irrigated agriculture relies on both surface water and groundwater to support crop production. Come and take in the agricultural activities.

Dairy

Dairy farming is a class of agriculture for long-term production of milk, which is processed for eventual sale of a dairy product. you will discover the processes associated with production, transformation, and marketing of dairy products. Watch us milk a cow. Touch, cuddle and feed the calf and other farm animals.

Earthen Stove

Earth stove is a traditional Indian cooking stove used for indoor and outdoor cooking. An earth oven, ground oven or cooking pit is one of the simplest and most ancient cooking structures.

Food cooked in earthen stove makes its taste even more tastier and enjoyable instead of cooking on gas or electric stove.

Chakki (Grinding Grains)

Many people don't know about chakki and don't know what this is?

Stone grinder or Atta chakki is used for grinding of wheat, ragi, Maize to make whole flour.

. In olden times, Atta chakki was a good way to exercise when there is no gym for women .

We will teach you and show you how to use it .You could actually enjoy this process with us.

Tractor Ride

If you have never experienced sitting on a tractor and going through the farms enjoying the breeze in your hair and eyes taking in the lush green everywhere, we can arrange and we will make the ride as comfortable as possible by throwing in mattresses in the trolley as the ride does get a bit bumpy.

Bullock Cart Ride

Bullock cart used to be a mode of transport. Bullock carts or ox carts were used in ancient days for the purpose of transportation.

People use to travel and carry their goods from one place to other. Bullock carts are still in use in villages where transportation is expensive, or infrastructure does not favor them.

Swing (Jhula)

A swing is a seat hanging by two ropes from a tree. You can sit on the seat and move backwards and forwards through the air.

Poultry farming

Poultry farming is a part of agriculture. It is the form of animal husbandry which raises domesticated birds such as chickens, ducks, turkeys and geese to produce meat or eggs for food. In India, the raising and breeding of different types of birds have been in existence for a very long time. Agriculture was the mainstay of generating food in ancient India. We'll provide you with the facts to enable you to genuinely enjoy the process with us.

Traditional Dance & Songs

Earlier, there was nothing for entertainment for people, so they used to listen to folk songs and watch traditional dance. Experience how villagers entertain themselves.

Enjoy The Traditional Village Food
