URL : NIGHT SAFARI

Experience a once in a lifetime activity - one that will excite, move and captivate you! If you love animals, then this is the ultimate experience for you. Safari, in its simplest sense, is watching wildlife in their natural habitat. An overland refers to a trip taken to observe and photograph animals and other wildlife. Surrounding area is bathed in lighting similar to moonlight to enhance the beauty. In an effort to maintain the experience of a natural environment, the Night display nocturnal animals in natural looking settings. This provides the opportunity to appreciate and value the treasures of nature while enjoying oneself. The naturalistic enclosures simulate the animals' native habitat. Animals are separated with natural barriers, rather than caged. Instead of vertical prison-like cages.
